Celebrating Dual Language Education
Southern New England Regional Conference for Dual Language Programs

Feature your students in #MABE2021

This year's 10th Annual Southern New England Conference for Dual Language programs will celebrate the theme: ***Dual Language Standing Strong***. To open the conference we are working with Guero Loco on the keynote address where we want to feature YOU and YOUR STUDENTS holding signs representing this theme. See the example of Guero's *Dream Act Song* during his session in MABE's last conference. We are also looking to close the conference on an equally powerful note, by representing students and teachers in our region with short videos on what it means to be bilingual. See below for details on how you can submit photos and videos. We would love to feature you and your students!
